CAVALIER
B R E W I N G

PILSNER 4.2% ABV / 20 IBU

A European style pilsner. Slight bitterness from the Czech hops and a soft slightly sweet malt profile make this beer perfect for any occasion.

PALE ALE 5% ABV / 30 IBU

Citrus, melon and stone fruit characteristics boldly shine through from the five different hops we throw in to this beautifully rounded beer. A clean malt profile perfectly balances the flavours, resulting in a fresh hop driven pale ale.

BROWN ALE 5% ABV / 25 IBU

A sessionable brown ale packed full of chocolate, coffee and roasted flavours and aromas. Delivering an initial burst of caramel and toffee finishing with a dry, crisp, roasted note.

IMPERIAL STOUT 8% ABV / 80 IBU

Brewed once a year. Available until sold out.

Pouring jet black with a thick tan head, with coffee, vanilla, liquorice and dark chocolate flavours and aromas. Sweet malt at the front of the palate develop in to a dry and roasted finish with a medium bitterness and slight warmth. Gentle smooth and creamy mouthfeel with low to medium carbonation.
